

# COURTESY LISTING

## Stormy

3 year old Stormy is a Shepherd, Malinois and Rottweiler mix. He has become too dominant over the older male dog in our household but he is typically a friendly, happy, loving dog and would be great as a one dog family or with female dogs as he has never had any problems with our female.

I love this dog and would like to see him go to a good home.

Thank you for your help with this,
