A little bit about the beautiful kitties:

Heartbroken after the recent loss of their beloved owner, sweet cats Danielle (Dani - first photo) and Jojo (second photo) are now searching for a new forever home where they can receive the love and care they deserve.

These indoor-only kitties are incredibly special and would thrive in a compassionate environment. Dani, a gentle 10-year-old, was rescued from a shelter years ago and is the sweetest soul. Though she is more reserved, once she warms up, she is so loving. Jojo, an affectionate 8-year-old, is a purr machine who loves to cuddle and shower you with affection.

Both cats have been spayed and are up to date on vaccines.

Please reach out if you can offer either or both of these deserving cats a fresh start and a lifetime of companionship.
