

# COURTESY LISTING

Meet Indy!

She is a 1.5 year old grey pitbull that we rescued from Sammie's Pet Shelter when she was about 10 weeks old. She is approximately 45 lbs, house trained, and good with children and most other dogs. She has been a great addition to our family and we are regretful to have to re-home her. Sadly, we have learned that she is best-suited for a single-dog family or a family that is home the majority of the time.

If you have any questions or a serious interest in welcoming Indy to your home/family, please contact us:
