

COURTESY LISTING

Apollo

Apollo is a 1 ½ year old neutered, male, pure breed German Rottweiler. He is a huge cuddle bug who thinks he is a lap dog.

Apollo is full of energy and loves to play and run around. Due to his size, we worry about small kids so he should be in a home with no kids or at least older kids. He will also need a home with lots of room for exercise.

Apollo has friends at his current home who he loves playing tug-a-war with, but he also likes to be alpha so would need to be in a home with non-aggressive, submissive dogs or no dogs.

He walks on leash, and knows his basic commands (sit, stay, shake, come, etc.) but Apollo could always brush up on his obedience training. He stays in a large kennel during the day and sleeps in the house at night.

Apollo is a protective guard dog because of his breed; therefore, we are looking for someone who is familiar with the breed and has had experience with Rottweilers.

Apollo is very happy, young, loving, energetic, carefree, and playful. He is an amazing dog who deserves the best home and will be a great buddy for the right person.

If you meet the above criteria, please call/text Stephanie at 775-842-4090.
