

COURTESY LISTING

Meet Achilles "Keelee". He is a 2 year old German shepherd/Belgian Malinois. Neutered, microchipped, up to date on all vaccinations. He is a wonderful, loving, high energy dog and true to his Belgian Malinois counterparts. We did not know when we got him he was part Malinois. He would thrive in a home experienced with the breed. He has been raised with kids, dogs, cats, and chickens. He does not do well with chickens or horses. A fenced yard is a must...he loves to explore. He has been known to visit the neighbors. He responds well to the invisible fence. Crate trained. Has had basic training and doggie socialization training for the last year. Due to the chickens, horses, and need for constant companionship we are unable to keep him. Please feel free to reach out with any questions. Alesha 530-277-9888
