

COURTESY LISTING

Usagi (Usa) is a 13-month-old cuddle-bunny! (Her name means 'rabbit' in Japanese.) She weighs about 85 lb. with a stocky build, an upright curled tail and cute pudgy face. Her medium coat is low maintenance, black with pretty brindle marks on her legs and face.

Usa is house trained, knows basic commands, and walks nicely on a leash. She does not love getting in the car, but enjoys the ride with her nose out the window. She's very devoted and affectionate with her people, loves playing with (and talking to!) her chew toys and balls. She likes her outside time to run around, but also makes a great couch potato.

Usa would be the perfect companion for someone who likes pattering around the house and yard and going for easy walks in the neighborhood. She'll jog or run if you ask her to, but she may give you a serious look asking you why, LOL. Usa should be in a home where she is the only dog, and no cats or small livestock to chase.
