## Buddy

Beautiful 1-year old neutered cat is a blend of soft mid-to-short mostly white fur. He's kid-and-visitor friendly + Playful + sweet snuggle-buddy. Terrific mouse hunter, so he's miserable being inside all day. We live next to a busy street, so need someone who's at least 3 blocks away from busy traffic with only 1-2 other small dogs or cats. Buddy loves to talk to us - and answer us when we call him - by something akin to a Purr-Meow. All shots current. Please email Keri Walker at [kerijoyw@gmail.com](mailto:kerijoyw@gmail.com).
