

# COURTESY LISTING

Hello, this is "Kitty"

She is 4 years old and has a chip but it has not been registered. She loves attention and lives mostly inside but can go out and will come back. She is spayed and only needs her boosters.

I cannot keep her anymore because I am going into a Skilled Nursing Facility.

My name is Melinda Gillmor but you can contact my sister Kathy at 530-913-0554 if you are interested in having "Kitty"

Thank you,  
Mindy
