

Meet Gracie Mae, a sweet 3-year-old Shepherd who loves cuddles and playing with other dogs. Unfortunately, her owner is recovering from multiple back surgeries and can no longer care for her. We are seeking a new home or foster family for Gracie Mae.

Gracie is wonderful with children and enjoys running and exercising. She is housebroken but prefers not to be in a kennel. She is up to date on all her vaccinations and does well at the vet.

If you are interested in giving Gracie Mae a loving home, please call (530) 272-3635. She would make a fantastic addition to any family!
