

COURTESY LISTING

Dolly, Ocean, Phoebe

Looking to re home 3 female Guinea Pigs. Their names are Dolly, Phoebe, and Ocean. They're very sweet and have been handled regularly. A bit timid at first, but they do warm up with some patience. They're all just under a year old, two are sisters from the same litter. They have been well loved and will come with all of their things (cage, water bottle, treats, etc.) we're sad to part ways with them, but our circumstances have changed and we're not able to keep them inside the house any longer and that's not fair to them. If you can give them a loving home.
