

# COURTESY LISTING

## Stormy

Hi, my name is Storm, aka Stormy, aka Stormy Girl. I am between 4.5-5.5 yrs. old the doctors tell me. I am a female Blue Nose Pitbull mix, the doctors say maybe Mastiff, but I am kind of short. I am spayed, chipped, house and crate trained. I do like to sleep with my forever friend at night, but I will also sleep in my crate or on a dog bed if you'd prefer.

I will go on car rides, as long as I do not eat within a few hours I will be ok. I like short hikes, but not in the heat. I like the beach but not to swim.

I get really excited to go out as I start to dance around. I am a pretty laid back gal and enjoy spending time with my owner, or resting in my crate with my blanket. I am great on a leash, but I bark at other dogs on the street when I walk. My mom says maybe I am trying to talk to them but she stops me until I am quiet. I am all bark, she tells me haha. I can't wait to meet you.
