

COURTESY LISTING

Rocky and Gina

Rocky is a 1 1/2 year old handsome male mastiff mix. He has a great temperament. He is very loving and eager to please and learn. He loves to play with other dogs. Rocky is not neutered but I am willing to pay for it if adopted.

Gina is a 5 year old female Border Collie/ Cane Corso mix that has been spayed. Gina is very shy at first but comes around once she gets to know you. She is a very loving and sweet young lady, very mellow . She gets along good with other dogs and prefers to be outside.

They can be re-homed together or separately. I look forward to hearing from you soon. I am really hoping to find them a loving home. You can reach me at 707-858-9556
