

COURTESY LISTING

Benson

DOB 07/17/2022

Benson needs a new home. His mom got sick and could no longer keep him. He is a beautiful cheerful boy. Loves to play with everyone. He gets along well with other dogs and cats.

He needs a home where he can be an indoor dog to love and be with his new parent. As of all Great Danes he thinks he is a lap dog! He is fully vaccinated, microchipped, recently neutered.
