

# COURTESY LISTING

## KOTA

Kota is a 5 year old German Shepherd. She is pure bred and has AKC paperwork. This gentle giant comes from a very loving home. We are looking for a new home for her as she needs a bigger house to roam around and she deserves more time than we are able to give to her. She has another dog she lives with and they get along perfectly. She is also great with cats. She is a family dog and people lover. Great with all ages including babies. She loves to give kisses, play fetch, and sprinklers! She has all the up to date shots and paperwork. She is such a loving dog and would love for a new home to give her the space, time/attention/ and love she deserves.
