

COURTESY LISTING for Kallie

Kallie is a pitbull with some special needs. She is over 10 years old and is an inside dog. She is very well mannered and never goes potty in the house. She is loving and sweet but does not do well with other animals. Her current owner is fighting Cancer and will likely not live past 6-8 months from now. Kallie is a large dog with some hip issues but is still getting around on her own and has no trouble getting up and down most days. Her biggest challenge is she does not like other dogs and pulls on her leash when other dogs are present. Current owner would love to meet any potential owners or foster families so she can feel good about her baby's care when she is gone.

Thank you,
