## Zeus

Zeus is approximately 4 year old White Shepherd. He has all his shots. He, like his house mate Nesta, has a great temperament and attitude and is great with other dogs of his size or smaller. Zeus loves to play fetch and going on walks. He was raised by Nesta (pack mate) as I got him when he was a puppy.

If there is anything else i can help out with give me a call at 5306205463  
They will be in my care for a few more days.
