

COURTESY LISTING FOR LIPTON

Meet Lipton, AKA "Baby Boy": Your Shy Sweetheart

Hello there! I'm Lipton, but you can also call me "Baby Boy" – a nickname that perfectly captures my loving and friendly nature. I may be a bit shy and nervous at first, but let me share a little about myself:

Personality: I am a true lover, and my friendly spirit shines through once I feel comfortable. Though I may be shy initially, I promise to be your most devoted companion once we've built that trust.

Resilience Story: I was rescued from the "kill list," and now I'm on a mission to find my forever family. Despite my rough start, I am ready to embrace the love and warmth that a forever home offers.

Home Sweet Home: Currently, I'm navigating the world and humans, feeling out this new chapter of my life. I need someone patient and understanding who can help me blossom into the confident and loving pup I am meant to be.

Health Check: I'm all fixed up and have had my shots updated. Your new furry family member comes with a clean bill of health.

If you're seeking a companion who will appreciate your kindness, and if you have the heart to help a shy pup bloom, I might just be the one for you.
