

COURTESY LISTING

MERLOT

Merlot is a 2 year old Doberman pincher. Her fur is this pretty red. She's so sweet she'll definitely try to always give you kisses. Merlot has never hurt anyone or anything. She can be protective over her new family in a positive way. She's very energetic so Merlot would love it if you took her to the park. If you love to be active with your dog, Merlot is the best companion for that. She loves to cuddle when you are in need of a cuddle buddy. She is crate trained and will also stands by the door to let you know when she needs to use the bathroom (outside). She knows some commands which are sit, lay down, shake hands, and stay. Before you feed her she waits for a command to eat. She's a protective, kind, loving soul who will always be by your side .
