

# COURTESY LISTING

## Panda

Panda is a timid, medium haired, black and white tuxedo cat. She is female, 14, neutered, and is current on her vaccinations. She grew up with an alpha dog but when we take the dog on a trip the cat sitter says she is playful and loving. She is best suited for a single owner home or would also do well as a barn cat.  
Please contact Corinne Gelfan at 530-575-1142
