Bowser

Rehoming My Beloved Dog

It is with a heavy heart that I am looking for a loving, forever home for my dog, Bowser. He is a husky Australian Shepard mix, 2 years old, and loves going for car rides and being outside. He loves ball and loves the water as well. He does well around other people and kids. He even howls along to wiz kahlifa!.

Bowser is house-trained, up-to-date on vaccinations, spayed/ neutered. He loves long walks chewing his bone and singing along to his favorite song (paper-bond) by wiz khalifa. After all he is a great companion for someone who needs one and wants a buddy to go on trips with.

I am rehoming Bowser due to me moving out of town. The place I will be staying doesn't allow any animals and will not let me stay if kept. I've tried talking them into it but unfortunately it's not allowed in the house.

I am looking for a responsible and loving family who can give Bowser the attention and care he needs. If you're interested or know someone who might be, please reach out to me at 530-615-1761 more details.

Thank you for considering giving Bowser a wonderful new home.
