

# COURTESY LISTING

## Riley

Riley is an Akita, Husky, Malmute.

Riley is 1 1/2 years old. We have had him since he was 3 months old and love him, but we are 81 and 76. Unfortunately, he has grown to be too much dog for us. I am hoping we are able to find a good home for him. Someone younger and stronger that could exercise him as he needs.

Please leave a message ( this is a landline number) with a contact # for you if we shouldn't answer.

Thanks.
