

COURTESY LISTING

Paprika (aka Rubie)

Paprika aka Rubie is on the small side, making her the perfect “fun-sized” pet. She is a total sweetheart and love bug. She is active, loves to play with toys and be with people. Rubie is young, gentle and eager to please. She still has some bouncy, pet energy but, loves cuddles and kisses and would be the perfect snuggle up on the couch for a movie partner.
