Duke

Duke is an incredibly sweet family dog that's looking for a forever home. Duke is a 4 year old neutered male pitbull with a short stalky frame, weighing approximately 65 pounds. Duke loves to run and play but knows when to relax in the home or catnap outside in the sun. Duke would be best with a family that has a fenced yard and in a home without small animals. Large dogs OK. If interested or if you have any other questions please feel free to call or text (530)913-5452
