Izzy

Izzy can't stay at Susann's (Susann has passed away) home much longer, she needs out, she has no owner and has no where to go, can you help her ?? You will fall in love, I guarantee it. Ask to meet her! We say she is doing so good... well, we've gotten to know her and discovered what a wonderful dog she is! Izzy would make someone a great companion!

Izzy still needs a safe place to go, she's doing so well, is there no out there reading this that can help Izzy? Please contact me if you can take her in by fostering her or adopting her. (530)277-2684. She's located in Rough & Ready.
