Elenor and Molly Mae

Elenor (Dark Red) and Molly Mae (Spotted) are a dynamic duo. Ideally they would go to a home together. Elenor is 2 yrs, about 150 lbs. and Molly is 1, about 100 lbs. Kuni Kuni. Both female. Dewormed in October of this past year. They are amazing pets. So lovable and squishy. Not to mention Elenor will roll on her side snoring next to you on the grass for a nap. Love belly rubs, snacks and Dr Pepper. They have both been around goats and other pigs and done amazing. Great addition to someone's family.
