## CHARLIE

Hi - My name's Charlie! Everyone here at Grass Valley Vet thinks I'm pretty darn cute. Well duh- take a look!

I love the folks at Grass Valley Vet; they saved my life. My parents (no I think I'll just call them owners) brought me to have me euthanized. Ye gads! What did I ever do to deserve that? The Vet just couldn't do it. They (my owners) said I was dog aggressive but the staff here haven't found me to be dog aggressive. It hurt my heart that they didn't want me anymore. But I'm an optimist and thinking some new person would love to have me.

I like butt scratches, going for walks, and I cuddling with the staff (so fun). I know how to sit and shake.

I am staying at GV Veterinary Hospital temporarily. I need a home soon. Please help me.

For inquiries call Brooke at 530-273-7272.

P.S. My stats - I'm 9 years old, neutered and freshly vaccinated due to the generosity of GV Vet.
