

COURTESY LISTING

Buddy

Buddy is approximately 16 yrs old. He's a loving and social guy. He's been an indoor cat since moving into an apartment about 3 years ago. He's neutered and healthy, but did receive an injury to his back leg/ hip area about 6 years ago, so he walks wobbly.

He gets along with dogs, cats and people.

His Mom is in the hospital, receiving hospice care, not expected to go home.
