## \*MILEY\*

Hi, my name is Miley, I'm really hoping for someone who wants to train me. I respond well to treats. I'm pretty rambunctious, since I'm an 11 month old female pit bull. I was treated with lots of love, just not given a whole lot of attention in the training category..

I could use some help learning to potty train. Please give me a chance. My owner's sister will be taking care of me until she can find my forever home.
