Beautiful barn cats needing immediate homes

3 beautiful barn cats needing immediate homes. 1 is a male black short haired approximately 5 months old. The 2 nd is a female medium hair white with brown markings 8 months old, and the 3 rd is a female medium gray haired, 1 ½ years old. All 3 have been spayed and neutered, vaccinated, flea treated. These cats will work hard for you eliminating mice and rats. Acclimation period should be 1 month long. It's very necessary for the cats to be able to acclimate, sounds and smells to their new environment. Crate or Tact room good for this time period. I am willing to drive to your location. Thank you for reading my ad. These cats rescued at a trucking company, no feeder to feed them there. Please call/text Rebecca 916 716-200Eight.
