

# COURTESY LISTING

## Rosie

Rosie is 4 going on 5 and is friendly, sweet, bubbly and acts like she is still a puppy.

She is a working dog, and needs lots of exercise and mental stimulation that the current home cannot offer her.

She would do well in a home with a large fenced and secure yard. Someone who is very active and will take her for lots of walks and runs and adventures.

Rosie has all of her shots, is house trained and crate trained and knows basic commands.
