## Rebel

Urgent- Please help my best friend find a new home for her dog. He is a 7 year Great Pyrenees, purebred. Loves cats. He is very friendly and loves to be loved. Has not lived with other dogs.

Rebel is a city pet and has lived inside with his person 80% of the time. When he is outside he goes potty, or goes to play ball or chase a squirrel on the fence line. He has never herded animals and is not a ranch dog. Unfortunately, my best friend is in the hospital with a very serious illness and will not be able to come home to take care of her dog.

Located in Yuba City, California.
