Meet Shadow and Bolt, an adorable pair of 6-month-old kittens ready to bring love and joy into your home!

Shadow is a sweet and gentle soul who loves curling up beside you for quiet cuddle time. His soft purrs and calm demeanor make him the perfect lap companion, always eager to rest his little head on your hand and gaze up at you with his warm, trusting eyes. He's affectionate, pleasant, and will fill your days with a sense of peace and companionship.

Bolt, on the other hand, is a bundle of energy and excitement! With his quick paws and playful spirit, he's always on the lookout for his next adventure. Whether he's chasing after a toy mouse, darting around for a game of hide and seek, or showing off his impressive pouncing skills, Bolt will keep you entertained and on your toes.

These two are a heartwarming pair, each bringing their unique personalities to the table. Shadow and Bolt would love nothing more than to find a forever home together, where they can complement each other—and you!
