Meet Tinkerbell!

8-year-old female spayed.

Needs household with no kids, just wants to be loved. Would love to sit on your lap. She does drool. Must be indoor cat per previous owner (no outdoor sense of danger). Vaccines up to date. Blood work done in November (all good). She weighs about 12 #. She's been here at the vet clinic in a cage since November- she needs a home!
Call: Animal Clinic of Penn Valley, 432-3125.
