Courtesy Listing Meet Ethel!

Hello - My name is Ethel and I need a new home. I am a very nice cat and you won't be sorry if you invite me into your home. Here's my story. My Mom and Dad have retired and they will be taking trips to enjoy their retirement after a lifetime of hard work. On the one hand I will miss them so much and on the other hand they have given me a good life so far and I appreciate that. As much as I hate to admit it, they have earned this time for adventure. They have very mixed feelings about letting precious me go, but they will be happy when they know I am safe, loved and cared for. I will adjust and be happy if a nice person I haven't met yet (or maybe I have) takes me and cares for me the rest of my days. (this will be awhile, as I'm not really old and I'm healthy - I just had a vet check). We will have lots of time for bonding and loving.

My stats are: I am 11 years young. I am part Maine Coon, but I'm way small to be a Maine Coon. Everyone says I'm gorgeous. I'm fairly humble so it embarrasses me a little to say this on my own behalf. I am a lap sitter and this is an excellent way to bond. I will initially be a bit of a scaredy cat until I get to know you. But don't be put off by that, just be a little patient with me and all will be good. If I sound like someone you'd like to share your home with please call my Mom, Chris at 530-368-0202 or e-mail at gdnngrows145@hotmail.com. **xxoo**, Ethel
