

# LOOKING FOR TEMPORARY FOSTER

Delmur is a 13 year old pit mix. He's a sweet old man that loves getting pets, going on short walks and relaxing in his bed. He is very affectionate with people, as well as good with kids and cats. In his old age he has become a bit of a loner and no longer enjoys being around other dogs. I am a contractor for Calfire & USFS so we are looking for a foster home until fall when fire season ends or possibly a full time rehome if the situation is right for him.
