**Ziggy Needs A New Home**

**Ziggy**  
**11 years old**  
**Female**  
**Spayed**

I'm on SSDI and I have 5 cats that are all rescues. I can't take care of Ziggy anymore and need to find her a new home with not so many other cats. I'm preparing for major surgery next week so my daughter will be helping me with this process. It's too much for me. Another rescue of mine has seizures so I really have my hands full. Especially in a small apartment.
