**Felix Needs A New Home**

**2 years old**  
**Male**  
**Neutered**  
**Current on Vaccines**

Felix is a wonderful hunter and would make a great barn cat! He gets along great with other male cats, loves my husband and myself. He does NOT get along with other female cats, so would be best in a home without them. If you are looking for a barn cat and have a safe place for him, please consider this handsome boy.
