

Sammie's Friends

Courtesy Listing Meet Rocco!

Rocco is a sweet and lovable handsome young mixed breed (American Staffordshire Terrier and Black Mouth Cur). He is one year old (born on 5/14/2020) and weighs about 40-50 lbs. He is playful and silly and loves to be around his favorite people. He is energetic, likes to run and chase balls and play with you. He is skittish around home appliances and needs a handler who will love him and give him lots of training. He knows several commands (sit, shake, bark, wait and spin) is smart and very eager to please (for treats and praise of course). Rocco is neutered, microchipped and up-to-date with his vaccinations. Rocco gets hyper excited with other dogs and driving in the car, so an experienced handler who knows how to train a good puppy better manners would be the best fit! He likes walks but pulls when he sees something interesting. He likes kids but gain, he'll need to be trained on how to be better behaved.
